# RESIN ROLLER

ORDER NUMBER  
ZH-000-0001

## RESIN ROLLER

THE PRO ROLLER

Improve the quality of your work  
with the resin roller.

Roll resin tubes and matts perfectly  
evenly and easily.

The resin roller is made of stainless  
steel. The ergonomic handle fits  
comfortably in the hand and can be  
extended with a standard handle,  
if necessary, so that you can work  
comfortably while standing.

The RESIN ROLLER and its solid stainless steel design  
facilitates the uniform distribution of resins in liners and  
laminates.
